

# NV\_COUNTIES

## File Geodatabase Feature Class

### Tags

County Lines., Counties, Nevada Counties, Nevada County Lines

### Summary

A representation of county lines for use in GIS projects

### Description

County lines for the state of Nevada AND Adjacent Counties

### Credits

Nevada Department of Transportation, Location Division, Cartography Section, GIS Section

### Use limitations

The distance between control points should be considered when determining accuracy. Areas with greater concentration of control points will yield higher accuracy as opposed to areas of less concentration of control points. Reference and acknowledge the Nevada Department of Transportation in products derived from this data. This dataset was compiled on the (NDOT) computer system at headquarters in Carson City, NV. The data can be used for mapping and data purposes only. No liability is assumed for the current accuracy or utility of the data on any system or for general , scientific purposes. Requestor agrees to assure and hold harmless the Nevada Department of Transportation, their agents, consultants, contractors and employees from any and all liability claims or damages to any person arise from or connected with the use of the data obtained in the GIS.
