Core Area Connections

Imagine a future in which Las Vegas' major economic centers were better connected and more easily accessed by visitors and residents alike. If we can achieve this vision, the area in which these centers exist will become places more businesses want to operate, as well as places employees want to live,

A Blueprint for Transforming Las Vegas

Transportation Investment Business Plan

Executive Summary

Learn what benefits Las Vegas could gain by investing in the transportation infrastructure and mobility improvements to Go Fast. to Go Vegas.

The TIBP Recommendations

A high-level summary of the TIBP's recommended transportation infrastructure and mobility improvements.

STORMWATER HIGHLIGHT

A screenshot of a YouTube video player. The interface includes the YouTube logo, a search bar, and an "Upload" button. The video content shows a man in a high-visibility yellow jacket with "NEVADA DOT" on it, standing in front of a stormwater treatment facility. The video player controls at the bottom show a play button, a progress bar at 0:34 / 3:06, and icons for volume, settings, and HD quality.
