Executive Summary provides quick reference

2014 NEVADA TRANSPORTATION FACTS AND FIGURES

Executive Summary

The following information provided in this Executive Summary is intended to give the reader a quick overview of the Nevada transportation system under NDOT's responsibility and care. Additionally, there is some information about local roadways and taxes for comparison purposes. All data is the best available as of the end of the State Fiscal Year 2014 ending June 30, 2014. Further, there is some information about highway funding, expenditures, assets, employees, and other statistics related to NDOT. Detailed information about these statistics can be found in the pages of this Facts & Figures Book. Lane miles are as the name implies: it represents the number of miles of roadway if you put every highway lane in Nevada end-to-end. Centerline miles are the miles of highway without regard to how many lanes they have. Special fuel includes diesel, propane (LPG), and compressed natural gas (CNG).

Statistics
