

USA Parkway (SR 439)

Nevada Transportation Board of
Directors Meeting

November 10, 2014

nevadadot.com

USA Parkway

- 6 miles of 4 lane roadway constructed, 4 miles graded, 8.5 miles of new roadway
- Draft Environmental Assessment (EA) complete with Finding of No Significant Impact (FONSI) expected in January 2014
- Estimated cost : \$65-\$70M

NRS Requirements

- Pursuant to NRS 408.388, the Department may contract with a DB team for the design and construction of a project if the estimated total cost of the Project exceeds \$10,000,000 and contracting with a DB team will enable the Department to:
 - Design and construct the Project at a cost that is significantly lower than the cost that the Department would incur to design and construct the Project using a different method;
 - Design and construct the Project in a shorter time than would be required to complete the Project using a different method, if exigent circumstances require that the Project be designed and constructed within a short time; or
 - Ensure that the design and construction of the Project is properly coordinated, if the Project is unique, highly technical, and complex in nature.

Summary Procurement Process
