No.	Document and Section Number	Comment(s)	Reserved for Department Response
1	Document: <i>Form DP</i>	Proposer is to provide a Form DP for every project completed for the Department within the past 10 years. For a local contractor, this could equate to more than 50 projects.	See revisions to Section 4.4.2.3 (B) and Form DP of the RFQ set forth in Addendum No. 1.
	Section and Pg. #: <i>Section 4.4.2.3 Volume II Section 3</i>	Rather than providing individual Form DPs, may we provide a list of all projects completed for the Department within the past 10 years showing; Award Date, NDOT Project Number, Project Name and Final Value; and a Form DP for any projects over the value of \$10 million?	
	Line Number: <i>31-34</i>		
2	Document: <i>Form S(A)</i>	Form S, Section B requires individual safety information for all projects completed during the last 5 years by the proposing firm. For a large contractor, this may be several thousand companywide, and several hundred regionally.	See revisions to Form S of the RFQ set forth in Addendum No. 1.
	Section and Pg. #: <i>Appendix B, Form S, No Pg. # (.pdf page 65)</i>	Rather than providing individual project safety information for all projects, may we provide that information for projects listed on Form DP (as modified in Comment 1 – over \$10 million) and Form E-1 only?	
	Line Number: <i>Item B (No line numbers on page)</i>		
3	Document: <i>Form DP and Form E-1</i>	If needed, can the Proposer add additional pages to Form DP and Form E-1? Currently, both forms are two-pages in length.	See revisions to Form DP and Form E-1 of the RFQ set forth in Addendum No. 2. The Proposer may add one (1) additional page when completing either Form DP or Form E-1. Each Form DP and Form E-1 shall be a maximum of three (3) pages in length.
	Line Number: <i>31-42</i>		
	Section and Pg. #: <i>4.4.2.3, Page 30</i>		
4	Document: <i>RFQ</i>	Will the Department except forms from the RFQ dated May 15, that have not been changed per an addendum if they have already been completed and/or signed? Or does every form, not changed per an addendum, need to reflect the addendum number and date in the footer?	The Department will accept completed/executed forms that have not been changed via addendum from the original RFQ dated May 15 .
