

2019 Washington Briefing

2019

WDB

February 26—March 1

Washington, D.C.

NDOT in D.C.

Federal Policy Issues

- Repeal the 2020 Rescission (potential \$71 Million loss for NDOT)
- Authorization for long-term federal surface transportation bill
- Ensure strong investment in multimodal transportation
- Preserve the 5.9 GHz spectrum for transportation purposes
- Allow flexibility in formula funds, particularly for Safety and Freight.

Priority Programs/Projects
