

**NEVADA DEPARTMENT OF TRANSPORTATION  
NOTICE OF A PUBLIC MEETING  
TO SOLICIT COMMENTS  
FOR  
STORMWATER MONITORING PLAN  
2019 THROUGH 2024**

**PURPOSE OF MEETING:** The Nevada Department of Transportation (NDOT) was reissued a National Pollutant Discharge Elimination System Municipal Separate Storm Sewer Systems Permit NV0023329 from the Nevada Division of Environmental Protection on August 10, 2018. The permit authorizes stormwater (and specific non-stormwater) discharges from the NDOT right-of-way into waters of the United States. A requirement of the permit is the development of a Stormwater Monitoring Plan, which details NDOT’s stormwater monitoring projects to be conducted over the duration of the permit through August 09, 2023. Stormwater monitoring efforts will assist NDOT with evaluating Best Management Practices (BMPs) currently being implemented, as well as help identify BMP needs for minimizing pollutants with stormwater discharge to the maximum extent practicable. NDOT is seeking your input on this Plan.

**WHEN AND WHERE:** Wednesday, April 24, 2019, 2:30 to 5:30 p.m., **presentation at 3 p.m.**, Nevada Department of Transportation, Room 302, 1263 South Stewart St., Carson City, NV  
This meeting will be **video-conferenced** to the **NDOT District III Office main conference room at 1951 Idaho Street in Elko, and the NDOT District I Office Building A conference room at 123 East Washington Avenue in Las Vegas.**

If you can't attend in person please visit our NDOT Stormwater Facebook page at: <https://www.facebook.com/loveNVwaters/> to view the presentation by our talented staff!

In accordance with NAC 445A.67558, the public comment period will remain open for thirty (30) days commencing on April 17, 2019.

**Comments will be accepted through Friday, May 17, 2019.** This notice with the attached Stormwater Monitoring Plan was posted at [www.nevadadot.com](http://www.nevadadot.com) on or before 9 a.m., April 17, 2019, and at the following locations:
