In response to the COVID-19 pandemic, the Coronavirus Aid, Relief, and Economic Security (CARES) Act provides \$25 billion to transit agencies to help to prevent, prepare for and respond to the COVID-19 pandemic. The total available amount for each program is based on funding appropriated under the Act. The State of Nevada's apportionment is provided through the §5311 program with the Federal Award Identification Number (FAIN) of **NV-2020-008-00**. The date of the award was **May 1, 2020**.

In addition to the federal awards listed in the table on the preceding page, the new award will permit 100% reimbursement to those rural public transit agencies currently receiving §5311 funding assistance until the funding is depleted.
