Secure Bid Acceptance Portal

General Information

Secure Bid Acceptance Help Contacts

NDOT Contract Services Phone: (775) 888-7070, Option 2 Email: <u>ndotcontractservices@dot.state.nv.us</u>

Secure Bid Acceptance System Requirements

The iCX application has been tested to run on the following browsers:

- Chrome
- Internet Explorer 9 and higher
- Mozilla/Firefox

Logging into Secure Bid Acceptance Portal

No login credentials are needed. Please click on, or copy and paste the following link into a web browser: <u>https://securebidacceptance.azurewebsites.net/vendor</u>

Definitions

New Bid – the is to be used for the first time a bid submitted on a contract. If a correction needs to be made to that submittal, a Replacement Bid needs to be made (please see Replacement Bid).

- Replacement Bid this is selected when an initial bid has already been submitted but the information submitted needs to be updated or changed. **When selecting this option, all prior documents must be resubmitted.** Staff will not open the prior documents submitted, only the most recent submission date and time submittals will be opened and considered final and complete.
- Vendor Name the name of the company or agency that the contractor/vendor is submitting the bid for.

Overview

Dashboard

Once you click on the link or copy and paste the link into a web browser, you will be brought to the following dashboard. The dashboard provides the following general information: contract number, location, when the bid was advertised, which the bid opening date and time are, as well as a navigation option to submit a bid.
