Comments: Roadway from Highway 225, 2.9 miles to the west (to the 'Y'), is currently in very poor condition. Effort was to improve road surface in 2017 with local forces and then stabilize base and pave in 2018 with all other bus route/road improvement projects. Additional work by the Engineer has obtained ROW from BIA. A public meeting was held (monthly Council meeting) to explain the change to the community. Council considers this roadway priority #1 in their list of road improvement projects.
