

Transportation Board of Directors
NDOT Director's Report

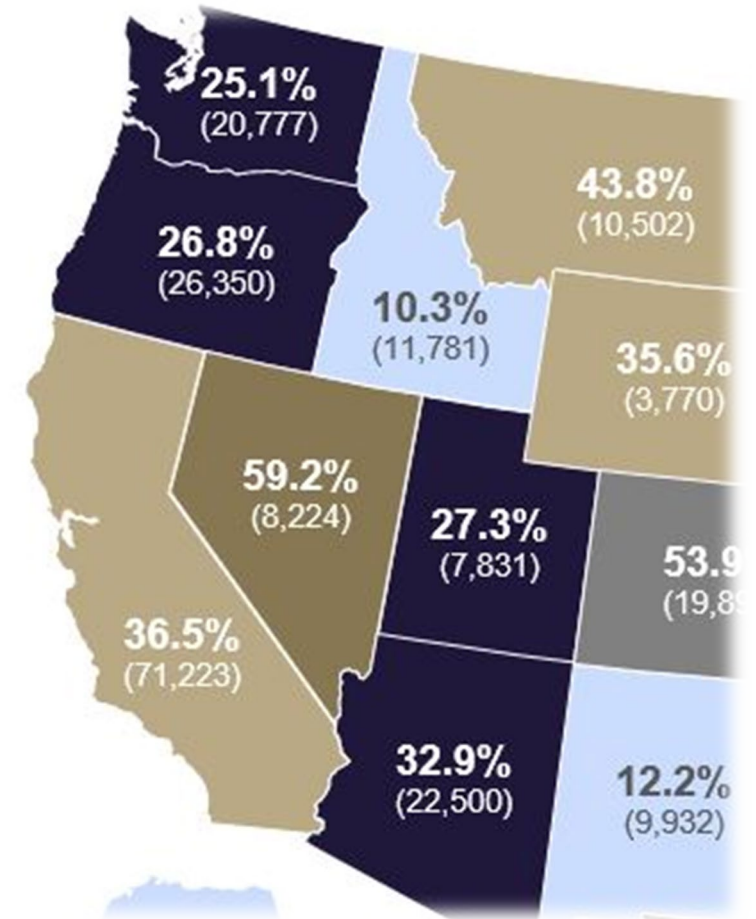

Kristina Swallow, P.E., Director

August 10, 2020

TIM Coalition Training Exercise

59.2%
 - Nearly 5,000 -
 Nevada Responders
 trained as of
 June 30, 2020.

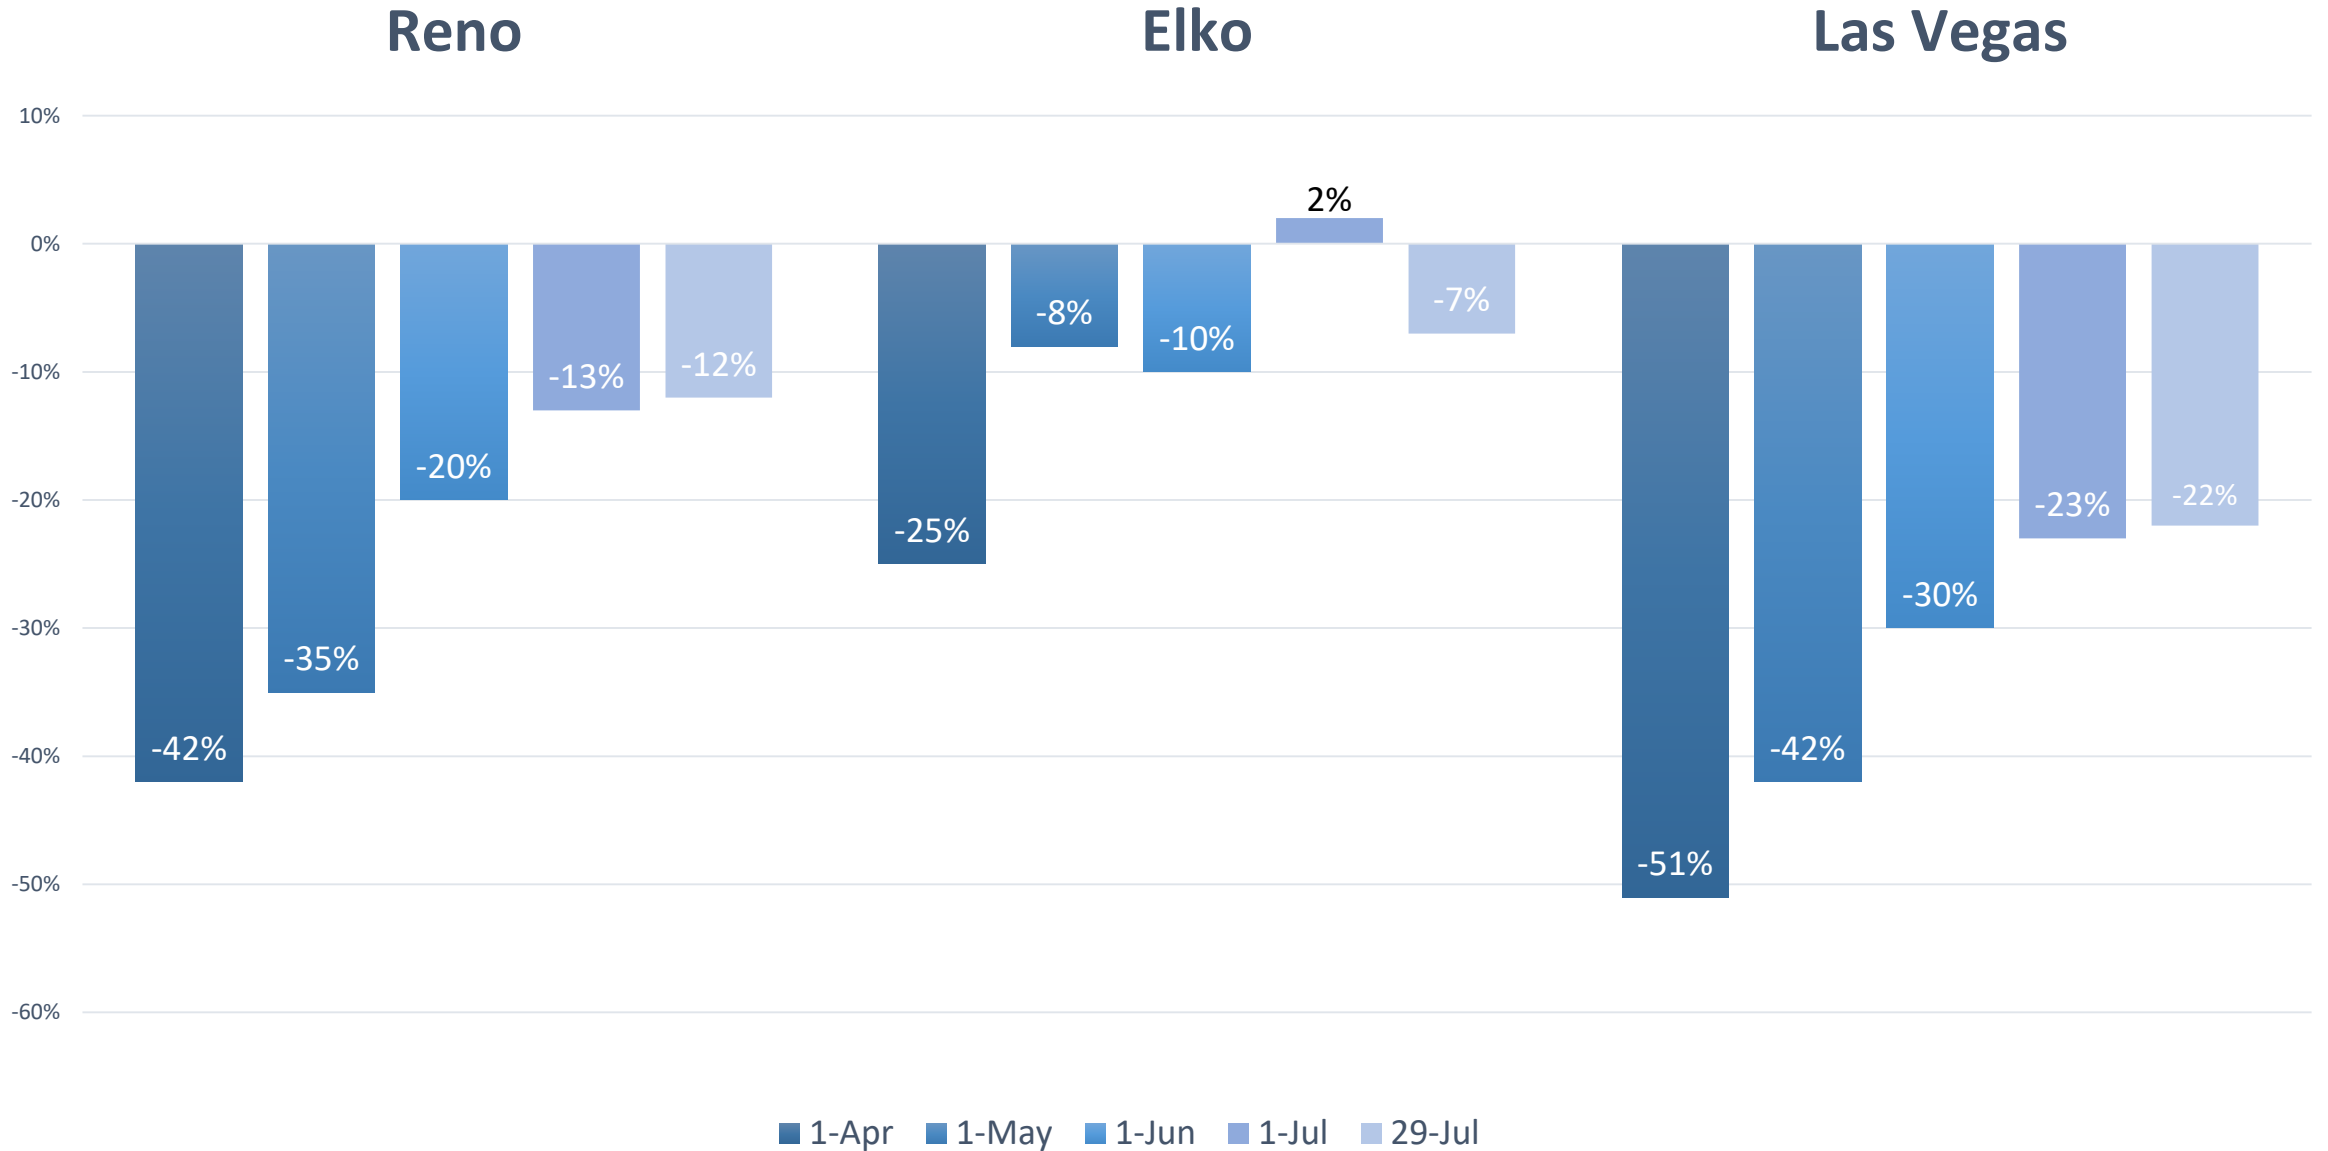

Traffic Incident Management (TIM) Saves Lives

- Traffic incidents pose a hazard to first responders
- Studies show that the likelihood of a secondary crash increases by 2.8% for each minute the primary incident continues to be a hazard.
- And 18%-22% of all traffic crashes are secondary in nature.
- Federal studies indicate 18% of secondary crashes involve serious injuries and/or fatalities.
