

# VIRTUAL PUBLIC MEETING

## I-515 VIADUCT REHAB PROJECT

### I-515 VIADUCT REHAB TO START

In Spring of 2021, work will begin to rehabilitate the I-515 (US 95/93) viaduct in downtown Las Vegas. Construction will last approximately one year.

The Nevada Department of Transportation (NDOT) invites you to participate in an online public meeting.

Please visit [www.i515Project.com](http://www.i515Project.com) anytime between February 2 - 16, 2021, to learn more, download project materials, and to submit your comments and questions to the project team.

Join us online anytime:  
**February 2, 2021**  
through  
**February 16, 2021**

Meeting website:  
**[www.i515Project.com](http://www.i515Project.com)**

### PROJECT COMPONENTS INCLUDE:

Rehabilitation of the I-515 (US 95/93) viaduct (the elevated portion of the downtown highway), including deck repair and overlay, ramp hinge replacement, and seismic retrofits

Restriping of I-515 to provide one additional southbound lane from I-15 to Eastern Avenue

Replacement of the I-515 over Eastern Avenue and I-515 over Desert Inn Road Bridges

If you need special accommodations or are unable to view the public meeting over the internet, please contact NDOT's Public Involvement Specialist Cassie Mlynarek at 702-232-5288.

Para materiales en español, por favor envíe un correo electrónico a [cmlynarek@dot.nv.gov](mailto:cmlynarek@dot.nv.gov).

Project questions? Please contact NDOT Project Manager Rick Splawinski: 775.888.7317, [rsplawinski@dot.nv.gov](mailto:rsplawinski@dot.nv.gov).
