

## NDOT BID DOCUMENTS CHANGE TO PROVIDE BID RANGE

For all projects advertised after October 1, 2008, the Nevada Department of Transportation will provide an estimated bid range instead of the detailed engineer's estimate during the contract advertisement period.

Instead of the detailed engineer's estimate that was previously provided, NDOT will provide a contract items list. This contract items list will contain a detailed list of contract bid items and quantities. Instead of the total project dollar figure previously found in the engineer's estimate, it will give an estimated contract bid range and not estimated unit prices.

This estimated project cost range will be provided within NDOT bid documents, and the table of all cost ranges will be available for reference on this page of the [www.nevadadot.com](http://www.nevadadot.com) Web site. A detailed engineer's estimate will be available during bid opening.

All other schedules, elements and requirements of the contract process will remain the same. For further information, contact NDOT Administrative Services at (775) 888-7070.
