**GARNET DESIGN-BUILD PROJECT
REVIEW QUESTION/COMMENT FORM**

Comment Sheet No. 1 of 2 Sheets

No.	Document and Section Number	Question(s)/Comment(s)	Reserved for the Department's Response
1	Section 1.5	Please provide a graphic demonstrating the Department's concept that follows the written description. For instance, is the two-way frontage road within Apex Industrial Park, or does it parallel US 93? Understanding the Department's concept would assist the proposer in writing the Design-Build Plan.	This information will be provided and it will be posted at: http://www.nevadadot.com/Documents/Doing_Business/RFP/RFQ/RFI_Opportunities.aspx
2	Section 4.4.2.1	Would the Department consider allowing an 11x17 page that counts as one of the five pages?	No
3	Section 4.4.2.2(C)	Would the Department consider allowing an 11x17 page for the Key Personnel project experience chart?	No
4	RFQ Appendix B Form S	Do the engineering firms providing design services only, that are Major Participants, need to provide a Form S? These are statistics not normally maintained or tracked by design firms.	Only Major Participants providing construction work need to provide Form S. See revisions to RFQ set forth in Addendum No. 1.
5	RFQ Appendix B Form S Table 2	Form S asks to provide information for all completed projects during the last five (5) years. This can be an extensive list for some Principal/Major Participants. Can this requirement be reduced to a smaller time frame or maximum number of Projects?	No
6	RFQ Section 4.4.2.3 Appendix B Form DP	The RFQ requires Principal/Major Participants to provide data for every project conducted for NDOT as a prime or first tier subconsultant for the last 10 years. This can be an extensive list for some Principal/Major Participants. Can this requirement be reduced to a smaller time frame or maximum number of Projects?	No
7	RFQ Appendix B	Can the Department provide the forms in Word Format?	Yes. This information will be provided and it will be posted at: http://www.nevadadot.com/Documents/Doing_Business/RFP/RFQ/RFI_Opportunities.aspx
