# What is the Nevada State Freight Plan?

The Nevada State Freight Plan (Freight Plan or Plan) is the state's first comprehensive multimodal plan that identifies specific recommendations to improve the state's freight infrastructure and distribution, with the ultimate goal of creating a competitive advantage for Nevada that will result in a **growing and diversifying economy**.

The Plan is organized into three major sections:

1. Vision & Solutions
2. Nevada's Freight Transportation System (existing and forecasted conditions)
3. Context & Competitive Market Analysis

## **VISION FOR THE NEVADA STATE FREIGHT SYSTEM**

*Establish a competitive advantage by creating crossroads of national commerce within a multimodal system of superior safety, condition, and performance.*
