Public Information Meeting For Kietzke Lane Project, Phase I Galletti Way to Mill Street, Reno, NV

The Nevada Department of Transportation (NDOT) will host a public information meeting to solicit input from the community concerning the safety improvements planned for Kietzke Lane, from Galletti Way to Mill Street in Reno, NV. NDOT conducted a study in 2013 that examined the safety issues and concerns on Kietzke Lane. Safety enhancements for all road users is a top priority.

Some of the proposed safety improvements include:

- Bicycle safety improvements
- Pedestrian safety improvements
- ADA improvements that include wider sidewalks
- Intersection safety improvements

When: Wednesday, April 5, 2017, 4 – 7 p.m. PRESENTATION at 5:30 p.m.

Where: Wooster High School Cafeteria, 1331 Plumb Lane, Reno, NV 89502

NDOT wants your input regarding these proposed safety improvements for this first phase of the Kietzke Lane Project, Galletti Way to Mill Street. Please attend at your convenience any time during the hours of 4 – 7 p.m. Project representatives will be available to discuss this project and answer questions. The meeting will be an open house format with a formal presentation at 5:30 p.m. This will allow you to view the displays and ask questions at your convenience. Your comments may be submitted for the public record in writing at the meeting or verbally to a court reporter who will be available throughout the meeting. You can also email your comments to info@dot.nv.gov with a reference to this project in the subject line. **Comments will be accepted through Friday, April 21, 2017.**

To obtain general information about this project, please contact Lori Campbell, NDOT Project Coordinator, 775-888-7462, email at lcampbell@dot.nv.gov or by mail to Nevada Department of Transportation, 1263 S. Stewart St., Carson City, NV 89712.

NOTE: Reasonable efforts will be made to assist and accommodate physically handicapped persons desiring to attend the meeting. Requests for auxiliary aids or services to assist individuals with disabilities or limited English proficiency should be made with as much notice as possible, to Julie Maxey, NDOT, Public Hearings Officer, at 775-888-7171.

Please visit our website at www.nevadadot.com for other project information.
