State Route 372 Roundabouts Grand Opening
Pahrump Valley United Methodist Church Parking Lot
May 25, 2017 • 10:30 a.m. • 1300 S.R. 372, Pahrump, NV 89048

Join Us in celebrating the completion of two new roundabouts along State Route 372 at Blagg Road and at Pahrump Valley Boulevard in Pahrump. The \$4 million project creates new roundabout intersections for improved safety and enhanced traffic flow. The elaborately landscaped medians serve as iconic visual gateways into Pahrump. Other project improvements include sections of new curb, gutters and sidewalks as well as handicap accessible pedestrian crossings in each direction. There is also street lighting, signage, and stretches of new paving. Be sure to attend this memorable event. Please RSVP to Tony Illia at tillia@dot.nv.gov.
