### -\*-Contractor --- Average ---Owner Feb-14 Mar-14 Apr-14 May-14 Jul-14 Aug-14 Sep-14 Nov-13 Jan-14 3.0 Schedule Oct-13 Aug-13 Jul-13 4.0 3.5 3.0 2.5 2.0 1.5 1.0 0.5 0.0

## 3.0 Schedule

### Contractor

unforeseen delays. Over all schedule is progressing ahead of Schedule over all has progressed as expected even with the will be close to the october15 and 31st dates however have two week delay at the entry to the stream zone period. We requested a short extension in case there are a few working days

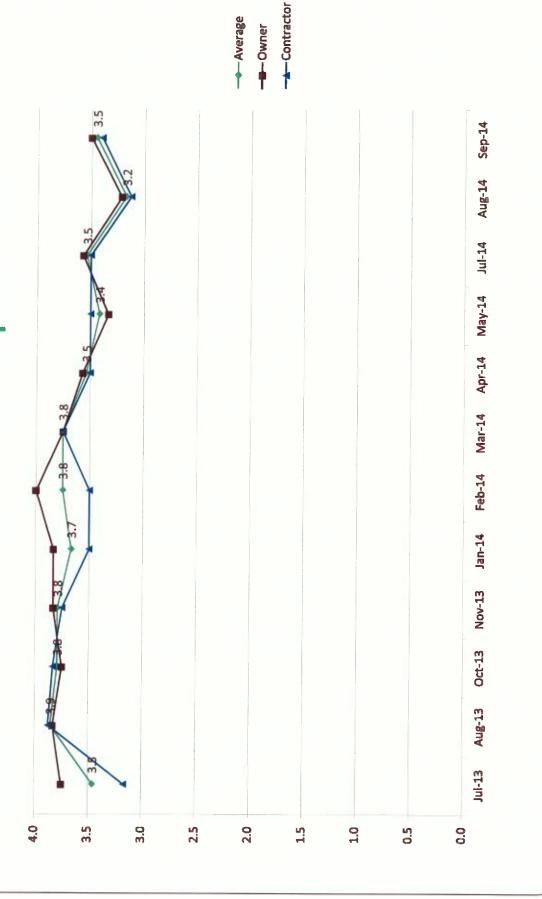

## 4.0 Issue Resolution

## 4.0 Issue Resolution

- Contractor
- Issues are handled as they come up an have not had to be elevated

# 5.0 Environmental Compliance

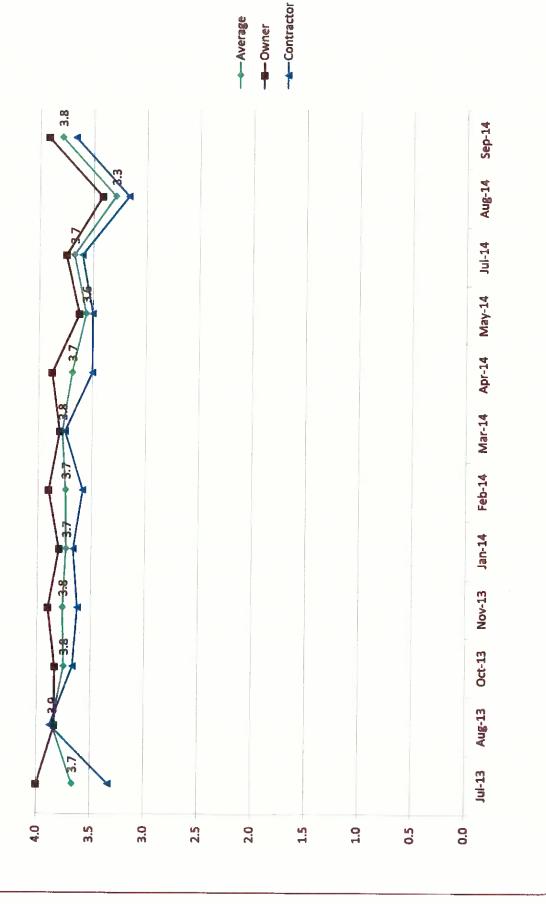

# 5.0 Environmental Compliance

### Contractor

 Some reminders were made and a couple corrections had to be made. We installed RSP and final erosion control where possible to have most establishment when/if rain comes

# 6.0 Public Satisfaction

## 6.0 Public Satisfaction

### Contractor

 Heard nothing more than some comments about in water work. We sampled h2o during the work and were in compliance per the permits
